

## Community Engagement Volunteer

Could you persuade people to care for the Aire?

Throughout the summer we will be visiting a number of public events including the Great Yorkshire Show, Kirkstall Festival, Bingley Show, Keighley Show and Saltaire Festival.

Would you be interested in helping at these events? Prior knowledge is not essential but we'd like to meet people who are keen to share their love for our river or enjoy fishing, bird watching or practical conservation work.

Helping at events would involve chatting with the public about the river and the work of the Aire Rivers Trust or running a simple children's family activity. Training and support will be provided for both.

Subject to a successful funding bid in October future opportunities for Community Engagement Volunteers will include leading walks or helping deliver education sessions in Primary Schools.
